

FROM THE DESK OF

CONNIE MACK IV

**FMR. REPRESENTATIVE &
CHAIRMAN, WESTERN HEMISPHERE SUBCOMMITTEE
HOUSE FOREIGN AFFAIRS COMMITTEE**

Donald Guerrero is a permanent resident of the United States who has been held in “preventive imprisonment” under the baseless excuse that his past position as Finance Minister might impact a three-year-long investigation that has violated the most basic of Dominican, American, and international standards of criminal justice. As a legal permanent resident and successful businessman with an impeccable reputation in the United States, it is his legal right to seek counsel and ensure the Biden administration is aware of the circumstances surrounding the pattern of human rights violations in his case. Our only objective is to ensure a fair process for Mr. Guerrero and the outrageous claim that this is “destabilizing” is exactly the reason that I will continue to shine a light on his baseless detainment.

Donald Guerrero es un residente permanente de los Estados Unidos que se encuentra bajo “prisión preventiva” con la excusa infundada de que su cargo anterior como Ministro de Finanzas podría afectar una investigación de tres años que ha violado los estándares más básicos de justicia penal dominicana, estadounidense e internacional. Como residente permanente legal y hombre de negocios exitoso con una reputación impecable en los Estados Unidos, es su derecho buscar asesoría y asegurarse de que la administración de Biden esté al tanto de las circunstancias que rodean el patrón de violaciones de derechos humanos en su caso. El único objetivo nuestro es garantizar un proceso justo para el Sr. Guerrero y la escandalosa afirmación de que esto es “desestabilizador” es exactamente la razón por la que seguiré documentando su detención infundada.
